## Your Credit Union Giving Back

February 27th Palmetto First was the headlining sponsor for Habitat for Humanity “Raise the Roof” benefit concert featuring the Marshall Tucker Band.

April 16-17 Palmetto First participated in “Relay for Life” for the American Cancer Society. This year’s theme was “A World with more Birthdays”. Palmetto First employees built a Birthday Cake Float decorated with ribbons of the different colors of cancer to represent our tent at the relay.

## PROTECT YOURSELF

Protect yourself against fraud and identity theft by checking your credit report annually. The Fair Credit Reporting Act (FCRA) guarantees free access to your credit report every 12 months from the 3 major credit reporting agencies. Equifax is generally the most widely used credit reporting agency in our area and you may notice that the other 2 agencies don't list all of your credit; this is not uncommon. The purpose of providing these reports annually is to make sure that there's no indication of identity theft. Therefore, it will not show you your credit score. If you want to know your score, you will have the option to pay a nominal fee and get your score along with the report. The only authorized source for providing the free annual credit report is: [www.annualcreditreport.com](http://www.annualcreditreport.com).

# Annual Meeting Highlights

We would like to thank all of our members who attended the credit union's 57th annual meeting held on February 20, 2010 at Lynches River County Park. Over 200 people attended and enjoyed lunch catered by Roger's BBQ. We had face painting, balloons and a special drawing for children. Steve Guyton, Kathryn Roach and Randy Segars were re-elected, by acclamation, to the Board of Directors for 3 year terms. Congratulations to George Weaver, winner of our \$250 grand prize drawing. 18870
